Vision

To be a premier professionally managed institution that provides an environment which nurtures excel lance, holistic growth and prepares students for a knowledge society and global economy by developing lifelong learning skills.

Mission

Our mission is to prepare competent engineers imbued with the spirit of professionalism and responsible citizenship in competitive global environment. Every effort will be made to fulfil the needs of industry and society as well by providing world class quality education

President's message

"There is only a way to make our rural people live richer, that is "Education" for that they have started polytechnic, agriculture and pharmacy colleges. by taking education at our institute student are working in various industrial , healthcare and have developed their own businesses.

There is only a way to make our rural people live richer, that is "Education"

With best wishers,
Dattatraya Pansare

Principal's Message

It's my great pleasure to welcome you to Shri Siddhivinayak Polytechnic run by Shri Dattakrupa Shaikshanik & Krushi Gramvikas Pratisthan. Our trust has been contributing to the mission of creating an opportunity for rural India.

Our polytechnic established in 2009, has alumni of around 1500 students and based upon knowledge gained at our institute are serving for various prestigious industries. We feel proud to provide quality education by equipping our students with all-rounder development. Creating better human beings is our motto of we do that by moulding our students to be a good human being with values which are embedded for life. The main aim of the institution is to empower students with sound knowledge, wisdom, experience and training both at the academic level of engineering and in the highly competitive global industrial market. The infrastructure facilities and state of the art equipment's combined with a number of highly qualified, competent, talented and dedicated faculty contribute to an enjoyable and easy learning experience.

We wish the best for all our students and members of the institution who aim at providing the best in academic and extracurricular fields. We believe that success will follow where there exists firm determination hard work and discipline. You are assured that you will be proud of yourself as a confident and successful technically sound Diploma Engineer after three years.

Prof. V.D.Netake
